

# CONTRAVISION

## Product Description

Window graphics or contravision has an array of circles cut out of a blackout based vinyl. The characteristics of its adhesive backing allows it to be easily removed with minimal residue remaining.

## Finish

Single Sided Matt

## Possible Applications

An example of contravision is on the windows of public transport buses, where typically it is darker inside the vehicle than outside, once the graphic is placed on the exterior of the window passers by will only see the image that has been printed and not inside the vehicle. While the passengers will have full view of the scenery outside.

## Environment

Suitable for internal and external applications.

## Ink Guarantee

Minimum 2 year anti-fade (Dependant on application).  
Solvent based ink.

## Machining Possibilities

Suitable for single axis, vertical blade cutting to any shape.

## Fire Rating

None.  
Low flammability, self extinguishing.

## Available size

Maximum Width  
1350 mm
