

ECLIPSE OPAQUE

Product Description

A board made from two liner papers laminated with a black adhesive to give excellent opacity on a very thin board.

Finish

Double sided matt.

Possible Applications

Ideal for small scale usage such as window posters and hanging displays where a `no show through` is critical, ideal for double sided print.

Environment

Suitable for internal applications.

Ink Guarantee

Minimum 3 year anti-fade (Dependant on application).
UV cured ink.

Machining Possibilities

Suitable for single axis, vertical blade cutting to any shape.

Fire Rating

None.
